

## School visits to campus – Eligibility criteria

Our school visit policy reflects our commitment to supporting schools in underserved communities, including areas of deprivation and low social mobility, and schools with a high percentage of students in receipt of pupil premium.

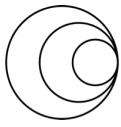

We have therefore identified the following schools located in the East Midlands and East of England that are eligible to book a school visit to Campus and receive a travel bursary of up to £375.

If your school is not on this list but you believe you meet our criteria, you can email us at: [education@wellcomeconnectingscience.org](mailto:education@wellcomeconnectingscience.org) to discuss booking a visit.

- Abbey College, Ramsey
- Abbeyfield School, Northampton
- Acle Academy
